

Delia District's One Million Bushels 1939 Harvest Issue

Band Hill Echoes

In compliance to Miss Lucille McFadden, whose marriage to Mr. McFadden, of Calgary, on Mr. and Mrs. George Street of Calgary will take place shortly, Mrs. Walter Hargrave and Mrs. C. Morrison gave a miscellaneous evening at the latter's home. There were 80 guests present, whose gifts filled a large trunk and white basket to overflowing. The refreshment was served in a large decorated dining room, and the color scheme of decorations was white. After the gifts were opened, the evening was given by the hostess, Mrs. Hargrave, who was assisted by Mrs. Morrison. Mrs. and Mrs. Claude Almond have Mr. Almond's brother and sister-in-law from Regina visiting them. Mrs. Frances Courtney returned from a two weeks' holiday in Cluny, Miss Elsie Collins, teacher at Blair school, returned from summer school and paid a short visit to Mr. and Mrs. Zachariah before returning home to Neaketon.

FARRELL LAKE NEWS

The Ladies' Aid met at the home of Mrs. David Smith assisted Mrs. Hargrave. The meeting was held in the evening and a number of visitors were present. The meeting was opened with a prayer by Mrs. Hargrave. The meeting was held in the evening and a number of visitors were present. The meeting was opened with a prayer by Mrs. Hargrave. Minutes of the M.D. Council of Lambton

The council met at Delia on Saturday, August 19th, at 2 p.m. All councillors were present. Minutes of previous meeting were read and, on motion of Mrs. Cole, were adopted. A letter was read from Department of Municipal Affairs giving advice that it would not be advisable to alter the boundaries of the district and the services offered for its marketing in Delia stands upon its own merits, and surly is tributary to no outside point. With an estimated wheat acreage of 62,000, returns for the crop season 1939-40 is expected, in some quarters, to reach the five million mark. Last year, 1938-39, the estimated yield was 338,000 bushels. All the elevators and agents are busy up and ready to handle this big crop with the utmost efficiency and smoothness of movement. East of the five million bushels, the National Elevator Co. has for its agent W. A. G. Gray, who in the third year of service. A new 10-ton scale has been installed here and the delivery was made to the elevators.

The Grain Marketing Service of Delia

Just why the Delia district should be chosen in years destination of (trillitery) to the city of Drumheller is a question that requires some explanation. Certainly it is not an account of the most important business carried on here—the raising and marketing of wheat, for the quality and quantity of wheat raised in the district and the services offered for its marketing in Delia stands upon its own merits, and surly is tributary to no outside point. With an estimated wheat acreage of 62,000, returns for the crop season 1939-40 is expected, in some quarters, to reach the five million mark. Last year, 1938-39, the estimated yield was 338,000 bushels. All the elevators and agents are busy up and ready to handle this big crop with the utmost efficiency and smoothness of movement. East of the five million bushels, the National Elevator Co. has for its agent W. A. G. Gray, who in the third year of service. Enterprise Social Club

The regular monthly meeting of the Enterprise Social Club met at the home of Mrs. Chas. Church on Tuesday, August 22nd. Mrs. Church presided and Mrs. Hargrave acted as secretary. The meeting was opened to order by the president, Mrs. Hargrave, with the club cheer. Roll call was answered with grandeur and verse. Mrs. Reid read a very appropriate paper on "Grandmotherhood." Mrs. Reid was very appropriate in her address. Mrs. Reid was very appropriate in her address. Mrs. Reid was very appropriate in her address.

20 Years of Service

REMOVAL of Alberta Wheat Pool's Elevator No. 1, for the purpose of combining with Elevator No. 2 in making twin elevators at this point, recalls the fact that 1923 inaugurated the first real co-operative effort in wheat marketing among prairie farmers.

Four years previous, however, had witnessed the birth of the co-operative movement in Delia, for in 1919 was launched

The Delia Farmers' Co-Operative Store

which from that day until the present has served the public with one single-minded purpose: to give efficient service, good quality merchandise, with the LOWEST POSSIBLE PRICES to all. What that Co-Operative Service means to the community can best be judged by a visit to your own store. Phone 10 - DELIA

Enterprise Social Club (Continued from column 5) Piller's house Wednesday, Oct. 4th. Mrs. Humphrey presented Grandmother Taylor with a box of candy from the members of the club. After a business routine, meeting closed with a benediction, and everyone set down to a birthday luncheon, with the six grandmothers as guests of honor. Mrs. Church was assisted by Mrs. Piller and Mrs. Wallace as hostesses.

The Best Variety? Many farmers are about to harvest fields of several of the new varieties. It would be a valuable contribution to agricultural knowledge if such farmers would make a careful note of the bushels to the acre. This information should be sent either to the nearest Elevator Agent or Dominion Experimental Farm, or handed to the local Elevator Agent. SEARLE GRAIN COMPANY, LTD.

D. H. CAMPBELL JOINS WITH THE BUSINESS MEN and MERCHANTS of Delia in appreciation of the patronage of the farming community on the eve of another good harvest. Established in 1915, with the motto of "The Most of the Best for the Least," courteous and prompt service has been—and will continue to be—a feature of this business.

ON THE ALBERTA FARMERS' MAP A Message for Alberta Farmers A sweeping reconstruction of rural life is the major challenge of modern times. If the farmer is to cease being a beaten and buffeted victim of an industrial and capitalistic civilization, the pawn of middlemen and the plaything of controlled and directed markets, he must join with his fellow farmers to bring about a new order. Farmers, by joining their strength and resources, can do a great deal to improve their own lot. The formation of a federal Wheat Board was accomplished solely by farm organizations, the Wheat Pools and the United Farmers. This movement developed until the entire west got solidly behind it. Once let farmers give their full support and energy to the building up of their own institutions, and real progress will be made. Little or nothing can be accomplished by perpetuating privately-owned, profit-seeking organizations. So decide now to deliver your grain to Alberta Pool Elevators this season. They are owned and operated by Alberta grain producers for Alberta grain producers.
